

HIGHLANDS

North Sulawesi is Culture. Visit the highland towns of Tomohon and Tondano. Clove and coconut plantations, rice paddies and flower gardens fill our highlands with the same beauty and serenity found in our smiling people. Visit a small pottery village and a Chinese Buddhist Temple. Pack a lunch and hike to a mountain waterfall. Enjoy a soak in one of our hot springs. Overnight at a cottage on Lake Tondano. Relax in the peaceful atmosphere and cool mountain air, far from the hustle and bustle of everyday life.

NORTH SULAWESI IS CULTURE!

DIVING

North Sulawesi is Diving. Dive the clear waters, steep walls and world-class coral gardens of Bunaken Marine Park. Visit the Bangka Strait for an encounter with whale manta rays and other pelagics. Sail to the Sangihe Islands and dive in search of a sunken city, through walls of fishes or on an underwater volcano. Explore Lembeh Strait and discover its rare and unusual marine life and WWII shipwrecks. Whether you are a novice or an expert, we have the diving for you.

ADVENTURE

North Sulawesi is Adventure. Climb to the rim of a steaming volcano. Raft down one of our whitewater rivers. Trek through our majestic Asian rainforest. See the world's largest concentration of black crested macaques and glimpse a tarsier, the world's smallest primate, at Tangkoko Nature Reserve. Visit Dumoga Bone National Park where you can search for the babirusa pig deer. A 3-day overland trek through the rainforests of Central Sulawesi.
